leading the way to victory is the official history of the 60th troop carrier group featuring unpublished first person accounts by participating veterans and expertly written by retired usaf colonel mark c vlahos combat veteran and former vice wing commander of 314th airlift wing at the little rock air force base the december 7 1941 surprise attack on pearl harbor thrust the united states into world war ii just six months later in may 1942 flying new c 47 transport aircraft the 60th troop carrier group led the way as the first u s tcg to deploy to england and the european theater of operations in world war ii leading the way to victory the 60th

the 60th TC's first mission dropping U.S. paratroopers outside of Oran, North Africa, was not only the first combat airborne mission in U.S. Army history but also the longest airborne mission of the entire war. This drop spearheaded Operation Torch, also known as the invasion of North Africa, by taking key Axis airfields just inland from the amphibious landing zones. The 60th TC went on to fly some of the first combat aeromedical evacuation missions and the first combat mission towing CG-4A Waco gliders during Operation Husky, the invasion of Sicily. As the new airborne air land aeromedical evacuation and glider missions matured in World War II, the 60th TC continued to play a major role, paying in blood for valuable lessons learned in the school of hard knocks. The group later flew dramatic missions into Yugoslavia supporting partisans as part of the Secret War in the Balkans, an episode of World War II history still all but unknown today, and dropped British paratroops in the airborne invasion of Greece. The group was inactivated at the end of the war. Drawing on official United States Army Air Forces microfilm records, operational records in the National Archives, photographs from both collections, published historical materials, and many personal accounts, author Mark C. Vlahos expertly written and highly readable volume is certain to become the standard history and go to reference for the 60th TC. This work offers scholars and lay readers alike an authoritative, informative, and engaging saga of the group's battles, adversity, hardships, and triumphs from inception through the Allied victory in Europe.
