kerry d soper reminds us of the far side s groundbreaking qualities and cultural significance in gary larson and the far side in the 1980s gary larson b 1950 shook up a staid comics page by introducing a set of aesthetic devices comedic tones and philosophical frames that challenged and delighted many readers even while upsetting and confusing others his irreverent single

panels served as an alternative reality to the tame comedy of the family friendly newspaper comics page as well as the pervasive button down consumerism and conformity of the reagan era in this first full study of larson s art soper follows the arc of the cartoonist s life and career describing the aesthetic and comedic qualities of his work probing the business side of his success and exploring how the far side brand as a whole with its iconic characters and accompanying set of comedic and philosophical frames connected with its core readers in effect larson reinvented his medium by creatively working within pushing against and often breaking past institutional aesthetic comedic and philosophical parameters due to the comic s great success it opened the door for additional alternative voices in comics and other popular mediums with its intentionally awkward minimalistic lines and its morbid humor the far side expanded americans comedic palette and inspired up and coming cartoonists comedians and filmmakers soper re creates the cultural climate and media landscape in which the far side first appeared and thrived then assesses how it impacted worldviews and shaped the comedic sensibilities of a generation of cartoonists comedy writers and everyday fans

last chapter and worse is a very special far side collection it includes the last six months of far side cartoons from newspaper syndication plus 13 new cartoons drawn by gary larson since his retirement this baker s dozen joins more than 140 cartoons that have never before appeared in a far side book

hot on the paws of the howling success of wiener dog art comes the new far side masterpiece unnatural selections including more than 100 cartoons in their book debut it also unearths an original four color insert created by gary larson especially for this

twelfth collection journey back in time as larson does for evolution what he previously did for art
